The Ingvar Kamprad Scholarship 2011

The "Ingvar Kamprad Scholarship" was instituted on September 21, 2001. The scholarship is awarded to two students annually and financed through a donation from the Stichting IKEA Foundation. The aim is to support the students financially in order to make it possible for them to complete a Master of Industrial Design degree. The first scholarship holders were admitted in autumn 2003.

The scholarship is of 8 000 SEK per month and is disbursed from August to May each academic year.

From 2011 the scholarship has been increased and comprises the tuition fee of 200 000 SEK per academic year.
